*Where are  
they now?*

*Jason and Neil phone each other every weekend . . .*

*Brian's in the slammer for drugs . . .*

*Jerry's faithfully counting the days until Brian's release . . .*

*Neil is one of the richest and most famous porn stars . . .*

*Coach still sees his daughter several times every month . . .*

*And now Neil is the one taking care of Lance. Each day and night is filled with love and lust, as they live happily ever after in Neil's ultra-expensive Beverly Hills mansion.*
